ADVANTAGES OF AERC'S PPRP PROGRAM

- One price includes everything you need.
- Convenience for small quantity generators with storage limitations.
- Reduces the chances of facility contamination by minimizing volumes of waste on-site.
- Allows each facility to purchase recycling services based on its individual needs.
- Allows for proper management with minimal handling of waste.
- Eliminates the need to fill out complicated shipping documents
- Reduces administrative burden without reducing control.
- Establishes standard operating procedures from facility to facility.
- Allows one phone call to provide recycling services for the entire month, quarter or year.

AERC PRE-PAID RETURN PROGRAM

AERC offers a comprehensive recycling service for commercial, institutional, municipal, and government waste generators.

1. Order Your Recycle Kit Order your kit by completing the form on the following page and faxing it back to us at 603-378-0816. Prepayment includes recycling fees, container and FedEx freight. Certificates of Recycling and Process available upon request. AERC offers a comprehensive recycling service for commercial, institutional, municipal, and government waste generators.

2. Shipping Guidelines Put the material you're recycling into the designated container and follow the packaging instructions. Complete the enclosed labels and affix the prepaid shipping labels to the container.

FedEx Ground will not accept any package with a PPRP label that has been changed, altered or tampered with in any way.

Give this package to the FedEx Ground driver during a routine delivery. Do not call FedEx Ground for a pickup if you are already set up for daily pick-ups. If you are not set-up for daily pick-ups you will need to call FedEx Ground Toll Free at 888-777-6040 to schedule a pick-up.

3. AERC Recycles Your Waste AERC recycles your waste at one of its four fully permitted facilities. After your waste has been processed, a Certificate of Recycling or Process can be provided upon request.
